## MAINE CONSOLIDATED SCHOOL #10

10 Spring Valley Road PO Box 50010 Parks, AZ 86018

Superintendent - Dr. Justin Roberson

(928) 635-2115 Fax (928) 635-5320

August 27, 2021

Dear Maine Consolidated Families:

Greetings! I hope you are well and off to a great start to the school year!

A couple of reminders to help us all reach our greatest success:

- Check out the Maine Consolidated School District's website. It's been updated and has information you need to keep on top of what's happening at school. [www.mcsdio.org](http://www.mcsdio.org) You can find calendars, forms, and information pertinent to the school's on-goings. Also, the weekly Coconino County Covid numbers by school district area and community along with our mitigation strategies.
- The **first health screening is at home**: If your child is not feeling well or exhibiting symptoms (listed on the back), please have them stay at home and contact the office.
- We encourage students to wash their hands, when they are unable to we use hand sanitizer. If you would like to donate hand sanitizer, we can always use more!

\*If you choose to have your child wear a mask at school, please let your child's teacher and myself know of your intentions and we can support.

\*If there is a positive Covid case at school, I can assure you that you will be contacted if your child is in "close contact" at school.

\*Rest assured that we are working closely with Coconino County Health and Human Services to submit cases and follow their recommendations; confidentiality maintained.

Also just a reminder, **students can eat breakfast and lunch at school for free** this year!

If you have any questions, please do not hesitate to contact me directly. [jroberson@mcsdio.org](mailto:jroberson@mcsdio.org) or 928.606.8240. Take care.

Kind regards:

Dr. Justin Roberson
