MEMORANDUM

TO : Maine Consolidated School District Governing Board and Community  
FROM : Dr. Justin Roberson, Superintendent, Maine Consolidated School District  
SUBJECT : Appointment of Maine Consolidated School District Board Member  
DATE : Thursday, December 2, 2021

Coconino County School Superintendent Cheryl Mango-Paget is pleased to announce the appointment of Kodi Mortensen, to the Maine Consolidated School District Governing Board. The appointment is effective December 6, 2021 and will expire on December 31, 2022. Ms. Mortensen has expressed an intent to run for this seat in the 2022 election cycle for a new term beginning in 2023.

This seat was vacant due to the resignation of Board Member Brienne McDowell. We appreciate the efforts Ms. McDowell put forward in supporting students and the community.

Kodi graduated from Northern Arizona University in Flagstaff, Arizona. She studied accounting. She meets the lawful residency requirement and has had children attend Maine Consolidated School.

Ms. Mortensen is employed by Hayne and Company as an accountant. Superintendent Mango-Paget believes "Kodi will bring a tremendous amount of expertise from the corporate world and day-to-day experience in the public-school setting to her new duties. She interviewed extremely well. She should complement the current Governing Board with her background.

Superintendent Mango-Paget accepted applications for the position, collected public input and held interviews of the qualified candidates prior to making the appointment.
