SEXUAL HARASSMENT

All individuals associated with this District, including, but not necessarily limited to, the Governing Board, the administration, the staff, and students, are expected to conduct themselves at all times so as to provide an atmosphere free from sexual harassment.

Sexual harassment is a form of sex discrimination that violates Title VII of the Civil Rights Act of 1964.

The Equal Employment Opportunity Commission defines "sexual harassment" as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- A. Submission to such conduct is either explicitly or implicitly made a term or condition of an individual's employment; or
- B. Submission to or rejection of such conduct is used as a basis for employment decisions affecting such individual; or
- C. Such conduct has the purpose or effect of substantially interfering with an individual's work performance, or creating an intimidating, hostile, or offensive work environment.

Sexual harassment may include, but is not limited to:

- A. Suggestive or obscene letters, notes, invitations, derogatory comments, slurs, jokes, epithets, assault, touching, impeding or blocking movement, leering, gestures, or display of sexually suggestive objects, pictures, or cartoons.

Maine Consolidated School Staff Handbook

- B. Continuing to express sexual interest after being informed that the interest is unwelcome. (Reciprocal attraction between peers is not considered sexual harassment.)
- C. Implying or withholding support for an appointment, promotion, or change of assignment; suggesting that a poor performance report will be prepared; suggesting that probation will be failed.
- D. Coercive sexual behavior used to control, influence, or affect the career, salary, and/or work environment of another employee.
- E. Offering or granting favors or employment benefits, such as promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications, et cetera, in exchange for sexual favors.

Anyone who is subject to sexual harassment, or who knows of the occurrence of such conduct, should inform the compliance officer, as provided in ACA-R.

A substantiated charge against a staff member in the District shall subject such staff member to disciplinary action.

All matters involving sexual harassment complaints will remain confidential to the extent possible.

Conflict of Interest:

STAFF CONFLICT OF INTEREST

Employment of Close Relatives

No person employed by the District may be directly supervised by a close relative (father, mother, son, daughter, sister, brother, or spouse). This policy will apply for summer or part-time work as well as for full-time employment.

A dependent of a Board member (a person more than half of whose support is obtained from a Board member) cannot be hired in the District except by consent of the Board. The spouse of a Board member cannot be employed by the District.

Business Relations

Any employee who has, or whose relative has, a substantial interest in any decision of the District shall make known this interest in the official records of the District, and shall refrain from participating in any manner as an employee in such a decision.

Maine Consolidated School Staff Handbook

Refrain from participating in any manner means more than just refraining from making a final decision. It means participating in any way in the process leading up to a decision. An employee with a conflict of interest must not make recommendations, give advice, or otherwise communicate in any manner with anyone involved in the decision-making process.

Vendor Relations

No employee of the District will accept a gift or benefit from any person, group, or entity doing, or desiring to do, business with the District as described in Policy DJ, Purchasing (Purchasing Ethics Policy).

District Purchases from Employees

The District must comply with competitive purchasing rules for any acquisition of goods or services from District employees regardless of the dollar amount. The District may acquire equipment, material, supplies, or services from its employees only under an award or contract let after public competitive bidding [A.R.S. [38-503](#); A.G.O. 106-002]. The requirement applies to any purchase using District monies, including extracurricular activities fees, tax credit contributions, and monies held in trust by the District such as student activities monies, when a District employee acts as the vendor. Oral and written quotations do not satisfy the public competitive bidding requirements.

Employee Training and Acknowledgement of Understanding

The Governing Board may require annual employee training to ensure District conflict of interest policies are communicated to employees and acknowledged as received and understood. Each employee shall complete and sign the conflict of interest form, GBEEA-E, as determined by the District.

The District will investigate allegations of inadequate disclosure of substantial interests and/or inappropriate participation when a substantial interest may exist.

Professional Attire

It is important for all staff to model appropriate personal care. All staff will present a clean, well-groomed, professional appearance. Professional attire will meet the needs of the specific curriculum activity.

Assignment and Responsibilities:

Other Duties

Attendance at other functions (Open House, Curriculum Nights, etc.), which are part of the normal responsibility of a teacher, will be expected.

Student Hours at School

Because our students need to be supervised, we have developed the following policies for students on campus.

Arrival

The main office will open at 7:30 a.m. for business. Students are not to arrive at school before 8:00 a.m., unless in EDCP or supervised extracurricular activities.

Departure

After school, all students are to be out of all school buildings by 3:30 p.m. unless involved in one of the following activities.

- School athletic teams
- Spectating at sports competitions (not practices)
- Club meeting supervised by a teacher
- Supervised detention supervised by a teacher
- Special arrangement in classroom supervised by a teacher
- Enrolled in EDCP

Staff Work Day

The certified workday will generally be 7:30 a.m. to 3:30 p.m. Exceptions to this schedule will be announced. Included is a 30-minute duty free lunch period. Staff may leave the campus during their lunchtime without permission. (Please notify someone in the office if you are leaving). You will be expected to obtain approval from an administrator to leave campus any time other than your lunch. The classified staff workday will be established based on assignment and program need. Classified persons may leave campus during their lunch. The "In & Out" Logbook must be used as well as notifying the office if leaving. Please advise an administrator, when you leave campus any time other than your lunch.

Menu

A weekly cafeteria menu will be distributed on each Thursday with informational items regarding activities, events and any other information that needs to be announced.

Communication

Electronic Mail

All staff members are connected to the electronic mail system. This will allow e-mail communications throughout the building and the district. The system is an Internet system, this means you can communicate outside the district as well. E-mail is restricted to school related communication only.

Computers

Each classroom is equipped with a computer that is connected to the Internet. This computer is assigned as INSTRUCTIONAL COMPUTER and is assigned primarily for use by the staff and/or students for INSTRUCTIONS. In addition to instructional use, teachers will be able to use these

Maine Consolidated School Staff Handbook

computers for administrative purposes including managing records, preparing lesson plans, communicating inside and outside the building, etc. All computers installed by the district meet a standard as to programs and capability. This standard includes the district being able to service and maintain them. *No one is to install additional or upgrade programs or applications on these computers without permission from the District Office.*

Daily Announcements

Student and staff announcements are read over the intercom first thing each morning.

Personal Cell Phone Use

Many staff members have personal cell phones. These should not be used during the school day (except during your prep times or your lunch period). If you are expecting an emergency phone call, please notify the office and we will get the message to you right away.

Certified Assignment - Normal Work Day

All certified staff should be at their assigned workstations ready to perform their assigned duties at the regular starting time of 7:30 a.m. On days when the pre-announced starting time is different than 7:30 a.m., staff shall be at their assigned station at the designated time. Snow schedule for certified is 9:00 a.m.

The teacher workday is based on an 8.0-hour day and usually begins at 7:30 a.m., ending at 3:30 p.m. Workday is defined as being on duty at school, working as a teacher supervising students whether in a classroom learning situation or learning situations outside of the classroom. Supervision of students during the school day is the responsibility of all staff members. Normally teachers will conduct five in-class learning situations where specific academic skills are emphasized and have one preparation period. It is the responsibility of all teachers to use their educational expertise to instruct students in the appropriate social skills throughout the school day. ***Teachers may leave campus during their duty-free lunchtime. The "In" and "Out" Logbook will need to be completed. They should also notify the office personnel when leaving and upon returning. They are not to leave campus at any other time during the school day unless arranged in advance with an administrator.***

Campus Supervision

All staff members share supervisory and disciplinary duties. Anything that needs attention on campus is everyone's responsibility. Staff members should never walk away from problems needing supervision. Staff are expected to spend time each day supervising students in unstructured areas. The presence of teachers in these areas is usually sufficient to prevent the development of any serious problems. All staff must be consistently and continuously involved in the enforcement of school policy.

All staff share in the responsibility of supervision before school and between classes.

Visitors on Campus

All visitors need to check in at the front office

Books and Materials

The selection of textbooks conforms to the rules and regulations of the State Board of Education. Maine Consolidated School provides textbooks for use by the students. Students are responsible for the care and use of their text. The staff is responsible for accurate accounting of textbooks received and the assessment of the condition of each book at the opening and closing of the school year. The following procedures are to be used in the issuance, identification and return of textbooks.

Issuance

Each teacher will record and keep a record of the textbooks assigned to each of his/her students. Textbooks should be checked at the time of issue to see they are numbered and each is labeled inside the front cover with the student's name, room number and current condition of the book given. Any damage on a textbook, i.e., torn pages, soiled, writing in book, damaged binding, missing pages, etc. should be noted on an index card and signed by the teacher and student. If the student damages the book further the student will pay damages or may have to pay for the replacement of the book, if the book is returned in unusable condition.

Return

Students will be financially responsible for lost or damaged books. Teachers must submit annually to administration an inventory of textbooks.

Report Cards and Progress Report:

Report cards are issued to all students at the end of each quarter and reflect the grades that are a part of the student's permanent record. Progress reports will be issued between the 4th and 5th week of each quarter.

During each grading period of the school year, parents/guardians of any student who is receiving an "F," an "I," or an "NM" (no mark) in academic performance on his/her report card **MUST BE** notified in writing or by phone of the impending grade prior to the issuance of the report card for that quarter. This contact should be documented by maintaining a copy of the written notification or by notation of a phone call in the grade book or other manner that the

teacher uses to maintain such information. (A mid-quarter progress report grade of an “F” will serve as this notice, although it is hoped that, prior to the end of the quarter, the teacher will have further communication about that student’s performance with the parent/guardian of a student who is failing.)

Make-Up Work

It will be the students’ responsibility to ask for makeup work and to arrange for a time to make up tests when the student returns.

If the teacher is unable to supply the student with a makeup assignment, the student will not be held responsible for that makeup assignment.

If work is not turned in by the time the assignment is due, and the student fails to provide an explanation of the extenuating circumstances that would merit an extension, the teacher may reduce the grade of that assignment.

When a student has been absent for illness, ample time will be given for makeup work once the student returns to school. Adjustments may be made when it is in the best interest of the student(s).

In the case of extended illness, students may wish to obtain makeup work before returning to school.

Assistance Programs:

- **Employee Assistance:** EAP through our health insurance Meritain <https://www.meritain.com/healthier-employees-corporate-wellness/>
- **Workers Compensation:** If you have questions, please see the business manager

Resignation:

RESIGNATION OF PROFESSIONAL STAFF MEMBERS

All resignations or requests to be released from contract shall be presented in writing to the Board for approval. A release from an uncompleted contract may be granted contingent upon the availability of a well-qualified, certificated teacher as a replacement.

A teacher who resigns contrary to this policy shall be deemed to have committed an unprofessional act and shall be subject to the penalty as provided under Arizona statutes and State Board of Education regulations.

The threat or use of physical force is not justified as a response to verbal provocation alone, nor when the degree of physical force used is disproportionate to the circumstances or exceeds that necessary to avoid injury to oneself or to others or to preserve property at risk.

- **District vehicles:**

District vehicles are to be used by authorized personnel only

- **Emergency procedures:**

<https://mcsd10.org/srp-operation-guidelines/>

In cases of emergency and during routine fire drills, it will be necessary to evacuate all buildings. This evacuation is to take place in an orderly manner and as quickly as possible. Emergencies and drills will be announced by the ringing of the fire alarm bell. Anytime this alarm sounds, staff and students are to follow the procedures outlined below. At no time are you to assume that the alarm signifies a drill and that no real emergency exists! Every time is to be treated as a real emergency.

When the evacuation alarm sounds, all class/campus activity is to stop immediately. Students are to exit from the classroom/building and not take time to gather books or other belongings. The teacher should be the last one to leave the room. He/she is to take the class grade/attendance book and accompany the class, making sure that no students remain in the room.

An emergency evacuation route is posted in all classrooms/buildings. This route is to be followed in all emergencies. In the case that the posted route is blocked by fire or fallen debris, proceed to the nearest exit that is clear.

Be sure you do not stop in an area that would be in the path of emergency vehicles. Students are to be quiet and orderly as they exit so that any emergency instructions can be heard.

Students and their teachers/employees are to proceed to the area designated by their evacuation route. The teacher is to take roll and report any missing student/employee immediately. Students are to remain quiet and orderly in the emergency area.

When the emergency or drill is over, an “all clear” will be given. At this time teachers are to direct their students to their classroom.

Handling Body Fluids in School

The following guidelines are meant to provide simple and effective precautions against transmission of disease for all people potentially exposed to the blood or body fluids of any person (student and/or school employee). No distinction is made between body fluids from persons with a known disease or those from persons without symptoms or with an undiagnosed disease.

The body fluids of all people should be considered to contain potentially infectious agents. The term *body fluids* includes blood, semen, drainage from scrapes and cuts, feces, urine, vomit, respiratory secretions (such as nasal discharge), and saliva.

Whenever possible, avoid direct skin contact with body fluids. Disposable gloves are recommended when direct hand contact with body fluids is anticipated. If extensive contact is made with body fluids, hands must be washed afterwards. Gloves used for this purpose should be put in a plastic bag, secured, and disposed of daily.

If direct skin contact does occur, hands and other affected skin areas of all exposed people shall be routinely washed with soap and water.

Proper handwashing requires the use of soap and water and vigorous washing under a stream of running water for approximately **ten (10)** seconds.

Clothing and other nondisposable items that are soaked through with body fluids should be rinsed and placed in plastic bags. If presoaking is required to remove stains, rinse or soak the item in cold water prior to bagging. Clothing should be sent home with the student for washing, with appropriate directions to parents and teachers (see *laundry instructions* below). Always wear gloves when handling items that have come in contact

with body fluids.

Contaminated disposable items shall be handled with disposable gloves, put in a plastic bag, secured, and disposed of daily.

Body fluid spills on hard surfaces (i.e., floors, countertops, books, etc.) shall be disinfected with bleach (diluted to ten [10] parts water and one [1] part bleach). Gloves shall always be worn during cleanup.

Cleaning equipment:

Nondisposable cleaning equipment (such as dust pans, brooms, and buckets) shall be disinfected by thoroughly rinsing in diluted bleach (ten [10] parts water and one [1] part bleach). Mops shall be soaked in the disinfectant after use and then rinsed with hot water. The disinfectant solution shall be promptly disposed of down a drain pipe.

Disposable cleaning equipment (such as paper towels, the vacuum bag, or sweepings) shall be placed in plastic bags, secured, and disposed of daily. No special handling is required for vacuuming equipment. Gloves shall always be used during cleanup.

Laundry instructions:

Clothing soaked with body fluids shall be washed separately from other items. Presoaking may be required for heavily soiled clothing. Otherwise, wash and dry as usual. If the material can be bleached, add one-half (1/2) cup of household bleach to the wash cycle. If the material is not colorfast, add one-half (1/2) cup of all-fabric bleach to the wash cycle.
