Coaching Position Procedures

- If an individual has coached a particular sport in the past, that are given priority and asked if they want to coach again during the upcoming season. (
- If that individual is uninterested or unavailable, school staff members are asked and given priority.
- If there is still no interest, the job will be posted no later than 30 days prior to the season starting.
- An external coach must submit an application and fingerprint clearance card to the office to be held on file prior to the season beginning.
- Each sport requires one head coach and at least one assistant coach is preferred. Depending on the sport and the size of the team(s), two assistant coaches may be necessary.
- Any volunteers that work with student athletes, must be board approved and have fingerprint clearance prior to the season beginning.
- Coaches are required to be at all practices and games. Any missed may result in a reduction to stipend amount.

*** Practices will be closed to non-participating students. At the discretion of the head coach, practices may be closed to parents to reduce distractions.
