No Board Members report

Superintendent's Report: Dr. Roberson reported that we are still awaiting the report for the soil sample that was taken for the baseball field but also stated that we did the final walk through today. Everything went well and looks great. Move on when reading documentation for grades K-8 has been completed and submitted to the state. He gave an update on the ongoing projects. They are currently working on the HVAC energy efficiency system. Roofing on the Mary Beam and Primary buildings did not pass QA/QC inspection and will be redoing those roofs over break, weather permitting. QA/QC will be on site at that time to make certain there are no other problems. Power jacks in the Old Main building are being installed and they will be pouring concrete for the Herb Johnson Building tomorrow. Tutoring started today.
