CAMDENS ADVICE COLUMN

BY CAMDEN TANNER

Back on Camden's advice column, we got 3 new questions I can answer!

Anonymous said: "wat is your favorite sport"? My favorite sport is football because it's just the best sport.

Anonymous said: "Do fish get thirsty"? Yes, but only saltwater fish get thirsty because the salt dries out the fish and makes them very thirsty.

Anonymous said: "pineapple on pizza?" Hot take but pineapple 100% belongs on pizza and is high key the best kind of pizza.

RECIPES FOR THANKSGIVING

BY CAMILLE PASCALEV

Have you been tired of eating the same thing on Thanksgiving??? Me too, there are so many other choices than turkey. Like classic cranberry sauce, or old fashioned stuffing ETC. Today I will give you all those different recipes for Thanksgiving!!!

The first recipe I am going to tell you is sausage and sage stuffing. A traditional stuffing made with cubed white bread, crumbled pork sausage, celery, onion, and fresh herbs like sage and thyme.

The second recipe I am going to tell you is pumpkin or sweet potato pie, a classic dessert, often with a flaky crust and spiced filling, sometimes topped with meringue or marshmallows.

Thank you for reading this, have a nice day.

FAVORITE CANDY

BY JESSE SLIM

Do you have a favorite candy? Of course you do, everyone does! From chocolate lovers to fruity candy fans, we all have that one sweet treat we can't resist. I decided to find out what candies are the most popular by taking a student survey.

It turns out Twix is a major favorite among students like Camden, Halle, Anna, Camille, and Athena. Zoe prefers Mike and Ikes, while Keenan can't get enough of Reese's. KitKats are the go-to choice for Isaiah and Delilah, and Asher loves Milk Duds. Jordan is all about PayDays, and Fielding enjoys fancy Lindor Chocolates. Wade keeps things fun with Jolly Ranchers and Laffy Taffy. Even the teachers joined in; Mrs. Beatty's favorite is Three Musketeers, and Dr. J said he loves all chocolate!
