

Yearbook Art Contest

A Yearbook Art Contest is a fantastic opportunity for students to showcase their creativity and artistic skills while contributing to a cherished school tradition. The theme for this year's yearbook is Diary of a School Kid, Maine Mustangs Edition. The cover of the yearbook has already been created to look like a diary, and your job is to create a page that is full of school sketches, kind of like how I did on the flyer. We will have three winners, first, second, and third place. First place will have their drawing right behind the cover, introducing the diary, and the other two drawings will be in the inside of the yearbook. All grades K-8 are able to participate in this contest. This not only allows students to gain recognition for their talent but also fosters a sense of community and school pride.

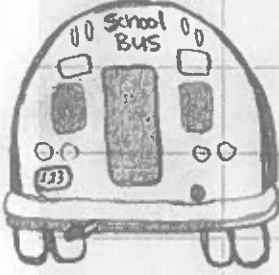

How to participate

Create your artwork on the attached cardstock paper. If you need an additional piece of paper, please see Ms. Gabby at the Front Office. Please write your name and grade on the back of the paper, not on the front.

Any artwork submitted that does not have the above requirements for either category will be disqualified. Once all artwork has been submitted, we will give the drawings to the judges and select the two winners. Artwork submissions are due no later than Thursday February 12th, 2026, to Ms. Gabby at the Front Office.
