Information and Discussion Items

- There was no Governing Board Members report
- Governing Board Evaluation – Members went through the evaluation tool and discussed the evaluation and each point.
- Governing Board Goals – the board members set their goals for the upcoming year to;
 1. Continue improving on attendance and decreasing absenteeism
 2. Community involvement and improving their connectivity with the community
- Open Enrollment – The open enrollment process for the upcoming school year was discussed with Dr. Roberson. Enrollment numbers were given as well as the number of families that have been affected by the cut in open enrollment students
